PRODUCT INFORMATION

VS ADD[®] BOX

BEAUTIFULLY TIDY, INSIDE AND OUT

The VS ADD® Box is more than just a box: It is the smallest building block in the Vauth-Sagel inner organisation system, which makes the functionality of our storage space solutions even more individual – precisely fitting, tailor-made, and not confined to the limits of the cabinet interior.

The VS ADD® Box creates space for the little things in life in every part of your home. It looks particularly good on VS ADD® Board shelving or as an inner compartment of the Planero® and Essentio shelf variants.

All the advantages at a glance

Metal boxes with open corners for ease of cleaning

Plastic boxes are dishwasher-safe

Plastic lids and boxes have an antimicrobial finish

Metal boxes have rubber pads: for non-slip, noise reduction and to prevent scratches

Design complements the Planero® and Essentio ranges

For use anywhere in the home, such as the lounge, kitchen, utility room, bathroom or elsewhere

The VS ADD® Box is the ideal addition to the VS ADD® Flex, shown here in the VS SUB® Larder
